

## ***Hearing Payment Waivers***

Payment Waivers are available for citizens whose financial situation qualifies them as a very low income household, using guidelines established by the [Department of Housing and Urban Development](#). This waiver does NOT cancel your fine. It simply allows you to attend a Hearing without first paying the fine required by state law. If your ticket is found to be valid, you still must pay the fines.

You will be required to provide detailed income information as part of your payment waiver request. The [Parking Violations Bureau](#) will consider all forms of income, including parental support, while determining your eligibility for the waiver.

If you would like to request a waiver, please call Monday through Friday, 8am - 5pm, at (866) 561- 9742 or (213) 623 - 7046 TTY; or to mail all supporting documents along with the [Waiver Request Form](#).

You will be notified whether or not you have been granted a waiver by mail. You must then request that a hearing be scheduled.
