Street Closures Announced For The 85th Academy Awards Cars Parked Illegally Will Be Towed

HOLLYWOOD, Calif. (Feb 20, 2013) — To facilitate the production needs of the 85th annual Academy Awards on Sunday, February 24, 2013, the City of Los Angeles has finalized street closures and restricted parking, as well as security strategies and public safety measures.

Numerous agencies, including the City of Los Angeles Department of Transportation (LADOT), California State Department of Transportation (CALTRANS) and the City of Los Angeles Police and Fire Departments were consulted in the planning process and agree that the finalized plan is the best way to accommodate all of the parties involved.

The Los Angeles Department of Transportation will begin to strictly enforce the restricted no-parking policy for the Academy Awards on the dates and times listed below. This will include the citing and impounding of vehicles parked on these temporary restricted no-parking streets. Vehicles parked on the following streets will be towed to the Official Police Garage, Hollywood Tow located at 1015 N. Mansfield Avenue Ave. in Hollywood when cited by LADOT. Motorists are advised to check the Official Police Garages (OPG) website, <http://www.opglaviic.com>, to find their vehicle. Alternatively, they may call 311 or Hollywood Tow, (323) 466-8583, to find information on how to redeem their vehicles.

Sunday, February 24, 2013

Additional streets will be closed Sunday, February 24, beginning at about 10 a.m., to assist with the circulation of event arrivals. Also closed on the day of the show will be the southbound Highland Avenue off-ramp from the 101 Freeway.

Details of the closures and maps of affected areas are available from the Hollywood Chamber of Commerce and Thirteenth District City Council field offices; they are posted on the Academy's website, www.oscars.org/closures

Area residents are urged to use public transit. For more information call Metro at (323) GO METRO (323 466-3876) or visit the agency's trip planner web site at: www.metro.net. LADOT, which is dedicated to moving Los Angeles forward as quickly and safely as possible, also operates transit bus services. Drivers, bus riders, bicyclists and pedestrians are encouraged to visit LADOT's website at www.ladot.lacity.org for information about DASH, Commuter Express, bicycling in the City of Los Angeles and an array of transportation services.

Area commuters can visit the LADOT's website, <http://trafficinfo.lacity.org>, for real-time traffic and parking facilities information. Real-time traffic reports are a product of LADOT, innovators of the Automated Traffic Surveillance and Control System (ATSAC) technology.
