

LADOT is taking critical steps to ensure the health and safety of Angelenos and our workforce during the global COVID-19 public health crisis, while keeping essential services in our city moving.

OUR CORE SERVICES CONTINUE:

- Public transit operators will continue to provide service to connect people to their destinations.
- Traffic officers will direct traffic during emergency incidents and ensure access for emergency response/public safety vehicles.
- Engineers will keep our traffic signal system (ATSAC) in operation, ensuring our lights and signals keep traffic moving.
- Field services crews (paint, sign, and signal) will continue to respond to safety-related requests for service and regular maintenance operations.
- Special Traffic Operations and Emergency Response will remain fully operational.

PARKING RESTRICTIONS AND TOWING

Effective Monday 3/16:

LADOT has **RELAXED** enforcement and will waive tickets issued on or after the effective date for the following categories:

- Residential street sweeping
- Peak/rush hour and gridlock zone parking restrictions
- No ticket/tow for abandoned vehicles and overnight parking

In addition:

- No parking fine increases for 60 days
- Extended grace period for people dropping off or picking up
- Immediate extensions on all deadlines for payments until June 1

Enforcement CONTINUES for:

- Metered parking
- Preferential parking districts
- Time limit zones in residential and commercial areas
- Posted repaving and street repair
- No blocking emergency access (alleyways, fire hydrants, etc.)
- Colored curb zones
- Parking restrictions for City-owned lots

TRANSIT OPERATIONS:

We know many continue to rely on our neighborhood transit lines and other fleet services to meet essential needs. LADOT has ordered augmented cleaning protocols including daily disinfecting of the transit fleet and deep cleaning of all facilities to ensure the safety of our riders and drivers

- L.A. DASH is now providing FREE service on all routes, riders are encouraged to BOARD USING THE BACK DOOR in order to maintain social distance.
- For most up-to-date information on routes and service, visit <https://www.ladottransit.com>
- LAnow is operating at off-peak levels all day.
- DTLA DASH Transit Store is closed.
- EV Car-share program BlueLA has temporarily suspended service.
