LADOT Process for Long-Term Worksite Traffic Control Plans (WTCP)

1. Pre-submittal Meeting (Optional)
2. Submit mylar/bond for signature (DOT records scanned copy)
3. Submit to BSS or BOE for Permit and Implementation

- Plans must meet Plan Submittal Requirements as listed in checklist
- Use B-Permit (req. for Signal Plan) or Pay Fee
- Applicant makes appropriate corrections and resubmits
- Red-line comments
- Red-line + Revisions
- Plan is routed internally to other LADOT sections for approval
